

Newsletter special May /10 2nd sci:vesco summer camp Leipzig, Germany

From 27th to 29th of August 2010 we are holding our second sci:vesco summer camp here at our premises in Leipzig, Germany.

In the course of this **3 day seminar**, groups of max. 8 participants will be taught how to use the sci:vesco software package and how to professionally conduct and analyse multi-grid interviews.

substances

- inclusive 1 year sci:vesco license for multi-grid applications (team-analysis, market research, consulting etc.)
- accommodation for 3 nights
- catering

You will be familiarized with relevant methodological background details and, if needed we, develop individual sales strategies and argumentation together with us. The course will be certified.

Please note, this seminar is only offered in English language.

www.motel-one.de.

Some interesting facts about Leipzig

Leipzig is an old traditional German town. It is the hometown of Johann Sebastian Bach, with its beautiful Gewandhaus Orchestra, and the Leipzig Gewandhaus. You can have a look on Johann Wolfgang Goethe, and a look into the famous Auerbachs Keller (Auerbach's Cellar), where Goethe met his Mephistopheles. There are also many exhibitions from the Peaceful Revolution of 1989, with original material, which was started here. For more information please visit:

www.leipzig.de/int/en

eac Training Center location

Our Training Center is located directly in the center of Leipzig. At this Place you'll have all the amenities of the Saxony metropolis.
